He was commissioned a major in the U.S. Army Ordnance Department, in 1942. In July, 1945, he retired from active service with the rank of colonel. For his war-time service, he received several citations and the award of the Legion of Merit.

Mr. Busch served as president of the St. Louis Bicentennial Corporation, formed to give leadership and planning to the celebration of the 200th anniversary of the founding of St. Louis.

EXECUTIVE VICE PRESIDENT AND CHIEF OPERATING OFFICER FRED L. KUHLMANN

Fred Kuhlmann became executive vice president and chief operating officer of the Cardinals on November 5, 1984, and had the pleasure of seeing them win the National League Championship in 1985, his first year with the team.

Although his connection with the Cardinals in past years had been as Executive Vice-President of Anheuser-Busch Companies, which owns the ball club, he had maintained a lively interest in the Cardinals dating from his boyhood when he grew up in the vicinity of old Sportsman's Park.

Kuhlmann, born April 24, 1916, in St. Louis, has law degrees from Washington University of St. Louis and Columbia

University, and was a senior partner in a law firm until he joined Anheuser-Busch in 1967 as general counsel. Subsequently he became executive vice president and vice chairman of the board of directors of Anheuser-Busch. He retired from Anheuser-Busch in December, 1983, but still serves as vice chairman of the board and as a consultant to the company. He is chairman of the board of Civic Center Corporation, one of the Anheuser-Busch companies and owner of Busch Stadium. He is also a member of baseball's Player Relations Committee.

He and his wife, Mildred, who live in Frontenac, have two children, Marilyn K. Brickler and F. Mark Kuhlmann.

VICE PRESIDENT / GENERAL MANAGER DAL MAXVILL

Dal Maxvill returned to the St. Louis Cardinals organization as general manager on February 25, 1985, dedicated to the same ideas that guided him as a player on three St. Louis pennant-winning teams in the 60's. Maxvill's primary goal was to produce a winning, exciting team for Cardinal fans.

Maxvill came through for the fans of St. Louis in 1985, just like he had done so many times while playing in the 60's. He oversaw his second pennant-winning club in three seasons during '87 after continually being faced with the task of supplying manager Whitey Herzog with healthy players during the injury-riddled season.

A native of Granite City, IL, Maxvill was an outstanding infielder during his 14-year major league career, 11 of which were spent in a Redbird uniform. During those 14 campaigns, Dal was on four World Series winning teams.

In 1978, after a brief stint away from baseball, Maxvill joined the coaching staff of the New York Mets. He returned to the Cardinals as a coach during the 1979-80 season.

In 1982, Dal became the third base coach of the Atlanta Braves, a position he held until his appointment as general manager of the Cardinals.

The 49-year-old Maxvill and his wife, Diana, are the parents of four children — Kathy (Mrs. Bill Behr), Danny, Jeff and Tim. Kathy is the mother of Kelli Marie Behr, the Maxvill's first grandchild, born in 1986.

**VICE PRESIDENT /
FINANCE AND ADMINISTRATION
MARK GORRIS**

Mark Gorris joined the Cardinals organization on January 1, 1987 as director of business administration and has been heavily involved over the past year in the club's broadcasting activities including the negotiations of contracts with KPLR-TV and Cencom Cable on the Red-birds television schedule for 1988.

Gorris, who holds B.S. and B.A. degrees from Washington University and a M.B.A. from St. Louis University, began working for Anheuser-Busch with Busch Entertainment Corp. in 1982 and was named manager of planning for Civic Center Corporation in 1985. In his new position Gorris will be in charge of all Financial and Administrative functions.

A native St. Louisan, Gorris and his wife, Diane are the parents of two children — Austin and Andrea.

**VICE PRESIDENT / MARKETING
MARTY HENDIN**

Marty Hendin joined the Cardinals in May 1973 as assistant public relations director. He became promotions director in 1978 and was named to the newly created position of director of marketing in 1984. In December 1987 he was named Vice President of Marketing. As Vice President of Marketing he is in charge of the Cardinals' sales and promotions efforts. Also included in his activities are advertising, licensing, special events and community relations.

A graduate of University City High School and the University of Missouri-St. Louis, Marty is a past president of the UMSL Alumni Association. He is a member of the Board of Directors of the Advertising Club of Greater St. Louis, and also serves on the Downtown St. Louis Inc. Marketing Committee and the St. Louis Symphony Creative Committee.

He resides in west St. Louis County with his wife, Ronna and son, Robbie.

THE MANAGER, COACHES AND PLAYERS

THE MANAGER

DORRELL NORMAN (WHITEY) HERZOG (24)

Whitey Herzog in 1987 became just the 37th manager in baseball history to record 1,000 victories while also guiding the Cardinals to their third World Series in the past six years, earning him distinction as one of the game's truly great managers.

Herzog, who notched his 1,000th career managerial win on April 18 at New York, moved into second on the Cardinals all-time managerial win list with his 621st victory on Sept. 22 vs Chicago. In his eighth season as skipper of the Cardinals, Whitey guided an injury-riddled club to the playoffs and World Series when many pre-season prognosticators picked his team to finish no better than third. For his accomplishments, Herzog was given a

contract extension through the 1990 season.

In Whitey's case, he has managed with something of a flair and a flourish. In the eleven full seasons he has managed, he has had six division winners and one World Championship. (His Cardinals also had the best overall divisional record in 1981, when the players' strike split the season, and the Redbirds finished second in each half).

With managerial service in four partial seasons in addition, the "White Rat", as he is often called (affectionately, by the way) has assembled a won-lost record of 1086-916. He has had partial seasons at Texas, California, Kansas City and St. Louis.

In four full seasons at Kansas City, he had three titles and one second-place finish. In his seven full seasons at St. Louis, he had the league championship and World Series victory in 1982, another National League title in 1985, and yet another National League title in 1987.

He was named "Manager of the Year" in 1976 by UPI and the Baseball Bulletin, and in 1982 by The Sporting News and UPI. The UPI also named him "Executive of the Year" in 1981 and 1982, and The Sporting News made him "Man of the Year" in 1982. In 1985, he was voted "Manager of the Year" by the Baseball Writers' Association of America for taking a club generally picked to finish last, and winding up in the seventh game of the World Series.

Herzog became the Cardinals' manager on June 9, 1980, succeeding Ken Boyer and inheriting a 19-34 last-place record. Whitey managed until August 29, with a 38-35 mark, and then moved up to the job of general manager. He became manager again in October, while retaining the GM's hat, too.

After greatly transforming the Cardinals with two winters of off-season trades, putting together a team he thought could win, Herzog turned over the general manager's title to Joe McDonald on April 10, 1982, then went on to manage the Cardinals to the World's Championship.

He logged 8 years in the majors as a player, including stints with Washington, Kansas City, Baltimore and Detroit as an outfielder-first baseman. His last year as a player was 1963 with the Tigers. Whitey was originally signed by the New York Yankees immediately following his graduation from New Athens High School.

Whitey, 5-11, 195 was born November 9, 1931 in New Athens, IL. He and his wife, Mary Lou have 3 children: Debra (1/31/55) is married to Kirk Ulrich and they live in Blue Springs, MO, with two children - Kristen, 7 and John, 5; David (9/8/57), his wife, Karen and son Jacob, 4, live in Charlotte, NC; and Jim (8/11/61) lives in Keystone, CO. Whitey and Mary Lou have made their home in Independence, MO, a suburb of Kansas City, since 1958. Whitey got his nickname (because of his light-colored hair) from Bill Speith, a McAlester sportscaster. Herzog's first book - "White Rat" - came out last spring. In his spare time Whitey is an avid bass fisherman and skier.

THE COACHES

RICH HACKER (7)

Rich Hacker, a native of nearby New Athens, IL, is the Cardinals' first base coach. He was added to the staff before the 1986 season to succeed Hal Lanier, who resigned to become manager of the Houston Astros.

Hacker originally came to the Cardinals in November, 1981, to fill the role of minor league manager and special assignment scout. He managed at Johnson City, TN, in 1982, 1983 and 1985, and was at Erie, PA, in 1984. In 1985, at Johnson City, his club finished second, ten games above .500.

As a player, Hacker was drafted and signed by the New York Mets in 1967, following his graduation from Southern Illinois University-Carbondale. As a shortstop he had a brief stay in the majors in 1971 with the Montreal Expos.

He was a minor league manager and scout for the San Diego Padres in 1979 and 1980 and midwest area scout for the Toronto Blue Jays in 1981.

Hacker, 40, lives with his wife, Kathryn, two sons, Roger Paul (9/16/77) and Scott Alexander (6/8/81) and a daughter, Katie Ann (9/26/83) in Belleville, IL. He is a nephew of former major league pitcher Warren Hacker. Rich, during his spare time enjoys deer, quail and duck hunting; bass fishing and skiing.

JOHNNY LEWIS (8)

Johnny Lewis joined the Cardinals' coaching staff early in the 1985 season to work on hitting with some of the younger players. Lewis proved especially helpful to Vince Coleman.

Lewis had spent the three previous years in the Redbirds' minor league organization as a hitting instructor and had managed for five years prior to that.

Johnny started his St. Louis career in 1959 as an outfielder, and played in the major leagues with the Cardinals and New York Mets. While with the Mets, he hit a 10th inning homer to break up a no-hitter by the Cincinnati Reds' Jim Maloney in 1965. He retired as a player after the 1968 season.

He worked in the Cardinals' front office as assistant promotions and sales director for two years, and was farm system administrative assistant in 1972. He joined the Cardinals' coaching staff in March, 1973, and remained for four years.

He then managed for five years in the minors—at Calgary in 1977 and 1978, at Gastonia in 1979, and at Johnson City in 1980 and 1981.

Lewis, 48, was born in Greenville, AL, and he now lives in St. Louis where he sells real estate during the off-season.

NICK LEYVA (16)

After six years as a minor league manager in the Cardinals' organization, Nick Leyva was promoted to the St. Louis club in 1984. He was first base coach for two years, then became third base coach in 1986.

The 34-year-old former infielder managed at Johnson City in 1978 and '79, finishing second and fifth, respectively, and was third and second in two halves of the 1980 season at Gastonia. He was at St. Petersburg for the entire 1981 season (finishing third and second in two halves) and started 1982 at St. Pete, but moved up to Arkansas in the last half of the season (second in the last half of the season). In 1983, at Arkansas, his team was fourth in the first section of the schedule, and first in the second half.

Leyva signed with the Cardinals as an infielder after being selected 24th by the club in the June, 1975 free agent draft. He was named to the N.A.I.A. All-American squad in 1975 while attending LaVerne College in California. Nick broke in with Sarasota in 1975 and ended the season at St. Petersburg. He split the 1976 campaign between St. Pete and Arkansas and ended his playing career with Arkansas in 1977.

He has managed the Mayaguez club in the Puerto Rican Winter League for three seasons, and many of the current Cardinals played for him there.

Nick and his wife, Chele, have one child, a son, Casey (10/22/83) and make their home in Ontario, CA. In his spare time, Nick enjoys woodworking, bass fishing and listening to the "oldie" music. During the 1987 off-season, Nick entered into the ownership and management of two card and gift shops in the St. Louis area.

DAVID WILLIAM RICKETTS (3)

In his second tour as a Cardinal coach, Dave has been with the St. Louis club since 1978. He previously had filled the same job in 1974 and '75. As a Cardinal minor league manager in-between, he led Sarasota to a third-place finish in 1976 and had a similar result at Johnson City in 1977.

He originally signed with the Cardinals in 1957 as a catcher, and spent all of the 1967-68-69 seasons with the Red Birds as a back-up catcher and pinch-hitter and appeared in both the 1967 and 1968 World Series. His last season as a player was with Pittsburgh in 1970. Served the Pirates as bullpen coach from 1971 through 1973 but then returned to the Cardinal organization in 1974.

Ricketts, 52, was born in Pottstown, PA but now makes his home in Rochester, NY with his wife, Barbara. Their daughter, Candy, is a graduate of Temple University (School of Business), and is employed in Philadelphia. For many years, Ricketts coached basketball at John Fisher College in Rochester in the off-season.

He received his bachelor of arts degree from Duquesne University in Pittsburgh, where he starred in basketball along with his brother, Dick, a former Cardinal pitcher.

MIKE ROARKE (4)

Mike Roarke joined Whitey Herzog's coaching staff in 1984, replacing Hub Kittle as pitching coach.

For the three previous seasons, Mike had been pitching coach for the Pawtucket Club of the International League in the Boston Red Sox organization. He worked only at home games while continuing to pursue a career as an insurance agent.

He started coaching following his retirement as a player after the 1964 season. He had three years each with the Detroit Tigers and the California Angels, then became a minor league manager at Toledo, Evansville and Wichita over a five-year period. In 1976 and '77 he was a roving pitching instructor for the Chicago Cubs, then moved to the majors with the Cubs from 1978 through 1980.

As a player, he caught for the Tigers from 1961 through 1964 and had eight minor league seasons before that.

He was a 1952 graduate of Boston College, where he lettered in baseball and football. He and his wife, Merry Sue, live in Cranston, RI. They have one son and four daughters — Susan (12/29/59), Thomas (2/6/61), Karen (11/17/63), Janet (9/2/65) and Kelly (4/18/73).

ALBERT FRED SCHOENDIENST (2)

"Red" returned again to the Redbird coaching ranks in 1979. He coached in St. Louis from 1961 to '64 under manager Johnny Keane. He then began a 12-year stint as Cardinal manager, the longest anyone has occupied the position. As manager, he led the Cardinals to National League pennants in 1967 and '68, and the World Championship in 1967. He also served as interim manager of the Redbirds for the last part of the 1980 season when Whitey Herzog moved from the field to occupy the general manager's position for the Cardinals. "Red" also spent two seasons coaching at Oakland in 1977 and '78.

Schoendienst was a Cardinal player for 14 years, an outstanding second baseman and hitter. He played in the 1946 World Series for the Cardinals and in 1957 and '58

for Milwaukee. He was chosen to ten National League All-Star game squads and played in nine of the games. He also managed the National League All-Star team to victories in 1968 and 1969.

As a player, he appeared in 2,216 games and has 2,449 hits, and a lifetime batting average of .289. Schoendienst was inducted into the Missouri Sports Hall of Fame on November 7, 1987.

"Red" was born on February 2, 1923, at Germantown, Illinois, and is married to the former Mary Eileen O'Reilly. They have four married children — Colleen (6/23/51), Cathleen (10/16/52), Eileen (3/19/57) and Kevin (11/3/58).

M.L. SERVICE — 4.036.

1987 SEASON: Was the Cardinals #1 starter from the right side ... got the season off to a good start by recording eight strikeouts on April 9 at Chicago, equalling his single game high ... won four of his first five decisions ... on April 23 vs CHI. Cox became the first Cardinals pitcher since Jim Kaat on July 1, 1980 to pitch a complete game with no walks or strikeouts ... it also marked the first complete game by a Cardinal pitcher in '87 ... Danny also went 2-for-3 at the plate in that contest ... started 31 games, making him the only Cardinal pitcher to start at least 25 games in each of the last three seasons ... recorded his 50th career win with a 3-0 combined shutout on July 4 at Atlanta ... won 10 or more games for the 3rd straight season ... was struck by a line drive off the bat of San Francisco's Mike Aldrete on July 9 at St. Louis ... fractured the fifth metatarsal in his right foot causing him to be placed on the disabled list from July 10 to August 8 ... was the second consecutive season that Cox had suffered a broken bone (suffered chip fracture of the right ankle prior to 1986 season which caused him to miss first month) ... Cox was 8-3 prior to his injury and went 3-6 after coming off the D.L. ... was 4-2 in his six starts against Chicago ... was among club leaders in innings pitched (199.1), victories (11), and strikeouts (101) ... opponents batted .290 (224-for-772) vs Cox ... earned his 10th win of the season on Sept. 22 vs Philadelphia in 3-2 Cardinal victory ... his complete game victory over Montreal on Oct. 1 gave Cardinals division clinching win ... was slated to start Game #1 of the NLCS, but had to be held out due to a stiff neck ... made his first start vs the Giants in Game #4

dropping a 4-2 decision in a rout-going effort at Candlestick Park ... came back on three day's rest to start Game #7 and shutout the Giants 6-0 in the National League Championship clinching victory at Busch Stadium ... was Card's starter in Game #2 of the World Series and was loser in 8-4 Twins victory ... game the Cards a 3 games to 2 edge with 4-2 win in Game #5, in which he held the Twins to 5 hits in 7.1 IP ... was loser in Game #7 when he allowed one run in 2/3 IP after relieving Joe Magrane in the 5th ... working on just two days rest, Cox walked three of the five batters he faced ... was 2-3 with a 4.40 ERA in the post-season.

CAREER HIGHLIGHTS: **1981** - Selected by St. Louis in 13th round of June free-agent draft and signed by Cardinals' scout Marty Maier ... led Appalachian League pitchers in ERA, shutouts, strikeouts, complete games and innings pitched ... pitched a 9-inning no-hit, no-run game August 9, in beating Bristol 11-0 ... was named Appalachian League Player of the Year and was selected as Topps July Appalachian League player of the month ... was selected on the League All-Star team. **1982** - Was selected on the League All-Star team. **1983** - Just 15 weeks to pass through every classification in the Cardinals' minor league organization and make it to the majors. He began the season at St. Louis' extended spring training and made short stops at the A, AA and AAA levels before being called up to St. Louis on August 4 after the Cardinals sold John Martin to Detroit ... while at Arkansas, had a string of seven complete games in-a-row, struck out 73, walked only 21 and yielded only 60 hits in 86.1 innings ... was a Texas League All-Star team selection ... started just two games at Louisville before joining the Cardinals at Cooperstown on August 1 where he started and won a 4-1 decision over the Baltimore Orioles (soon to be World Series Champions) in the Hall of Fame Game ... then returned to Louisville but was called up four days later ... drew his first major league start on August 6 when he dueled with Steve Carlton and the Phillies in a game PHI won 1-0 in 11 innings ... earned his first win on August 12 when he defeated HOU and Nolan Ryan, 5-2. **1984** - On opening day, pitched in relief for the Cardinals and, after allowing only two hits in four innings, emerged an 11-7 victor ... after winning a start against PIT on April 14, hit the skids in a seven-game losing streak, had a one-time attack of a tender shoulder, and was 3-8 when he was optioned to Louisville to straighten things out ... after a month and four days at Louisville, where he was 4-1 with a 2.13 ERA and his control problems solved, returned to St. Louis and was 6-3 in 13 starts the rest of the season ... ERA in his second stint was 3.72 compared to an earlier 4.33. High point of the season was a 1-0 three-hit shutout of the Montreal Expos on September 19. **1985** - In first full big league season, as Cardinal #3 starter ... was among league leaders in 5 pitching categories (wins, IP, CG, SHO and ERA) ... had a string of 23 consecutive scoreless innings from 6/10 (5th inning) - 6/20 (9th inning) ... teamed with Joaquin Andujar and John Tudor to give the Redbirds its largest winning trio since 1935 (D. Dean, 28 wins; P. Dean, 19; Hallahan, 15) ... hurled a pair of two hitters, on 5/31 vs Cincinnati (in which Cox faced only 29 batters and had a perfect game through 7-2/3 innings before Concepcion broke it up with a single) and 9/5 vs Chicago (in which Cox walked one, struck out five and faced only 29 batters) ... won 9 of first 11 decisions, and was 11-4 at All-Star Break earning consideration for all-star honors ... completed 5 of 6 starts between 5/26 and 6/20, with three shutouts ... equalled career high 8 strikeouts vs Montreal on 9/20 ... finished the season with three straight victories, including a 4-3 triumph over the Mets on Oct. 3 that all but put away the division title, giving the Cardinals a two-game edge with three to play ... in post-season play, won Game #3 of LCS against the Dodgers after the Redbirds had lost the first two games ... in the World Series, he was the starter in Games #2 (which the Cardinals won) and Game #6 (which they lost after he was out of the game) ... he had a 1.80 ERA in post-season. **1986** - Battled back to 12-13 record after poor start (0-4, 2-7 early in season) brought about at least in part by a chip fracture of his right ankle suffered during spring training at St. Petersburg on 3/30 ... while fishing he jumped off a low sea wall and turned his ankle which resulted in a stretch on the 21-day disabled list at the start of the season ... after seven scoreless innings of rehabilitation in an extended training game on 4/19 at St. Pete, Cox was activated on 6/1 at CIN, in his eighth start of the season, he defeated the Reds, 2-1, for his first win of the season ... three-hit the Phillies on 7/28 in 3-1 complete game win at PHI ... equalled his career high 8 strikeouts in 7/28 outing ... had a decision in 18 of his last 19 starts ... was 9-5 in last 15 starts, and did not allow more than three earned runs in any of them ... pitched CG in 6 of last 11 starts ... over a four start period from 7/18-8/3 did not allow a walk (28 innings) ... limited opponents to .234 average (189-for-808) ... averaged 4.42 strikeouts and 2.45 walks per 9 IP ... was sixth in National League ERA (2.90) and tied for fifth in complete games (8) ... was second among N.L. batters with 16 sacrifice hits.

MISC: Graduated from Warner Robbins, Georgia, High School in 1977 ... played varsity baseball, football and basketball ... attended Chattahoochee Valley (Alabama) J.C. and Troy State University, Troy, Alabama ... majored in General Business ... played baseball and was named to All-American team his senior year ... prior to 1983, the last time the Cardinals played in the Hall of Fame Game (1966), they called up from minors a little-known pitcher named Steve Carlton. He was promoted to the big leagues for good, four days after he turned in a 7-5 win over the Twins on July 25, 1966 ... ironically, Cox's college baseball coach was Chase Riddle (formerly a Cardinals' scout) who originally helped to sign Carlton to a Cardinal contract ... was the 13th European-born player to participate in a World Series game ... joined George Calmers (Scotland) for PHI in 1915 Series and Bert Blyleven (Holland) for PIT in 1979 Series and 1987 for MIN as only European-born starting pitchers in W.S. play.

CAREER HIGHLIGHTS: **1980** - Selected by Atlanta in the first round (3rd player selected) of the June free-agent draft and signed by Braves' scouts Bill Wright and Charlie Silvera ... went directly to double-A where he fashioned an 8-3 record with a 2.57 ERA and 104 strikeouts in 105 innings. **1981** - Led International League in games started, innings pitched, strikeouts and tied for league lead in wins. **1982** - Opened the season at AAA, but was promoted to major leagues in early May ... first M.L. appearance came in start vs St. L. on 5/13 ... gave up 5 hits and 4 runs in 1.1 innings ... gained first M.L. win 5/19 vs MTL going 6.2 innings and allowing only 3 hits and 1 run ... with a 4-6 mark was returned to AAA early in Aug., but was recalled on 9/1 working 5 games in relief the remainder of the year. **1983** - Opened season at AAA winning first five decisions to give him nine straight at Richmond, dating back to '82 season ... promoted to ATL, where he spent the remainder of

year, was inconsistent while splitting time between starting and relieving. **1984** - Started the year at Atlanta, but after acquiring an 0-3 record in four starts, was sent to Richmond ... there, was impressive with a 5-1 mark in 9 appearances and an ERA of 4.04. M.L. SERVICE — 13.099

1987 SEASON: The veteran right-hander tied Greg Mathews and Danny Cox for the most wins among Cardinal starters (11) ... marked the second straight year that Forsch has either led or tied for team high in victories ... was the first Cards pitcher to notch 10 wins when he defeated Pittsburgh 6-0 on August 10 ... with the shutout victory, Forsch notched a double figure win total for the 10th time in his career and tied Bill Sherdel (153) for third on the Cardinals all-time win list ... Forsch recorded his 150th career victory on July 3 at ATL with a 9-1 win ... appeared in his 400th career game on May 21 at ATL ... completed his 14th year with the Cardinals ... only Stan Musial (22 years), Jesse Haines (18), Bob Gibson (17), Lou Brock (16) and Red Schoendienst (15) have played more seasons in a Cardinals' uniform ... only Dave Concepcion (18) and Mike Schmidt (16) have played for one team longer among current National Leaguers ... Forsch leads M.L. pitchers with 14 consecutive seasons of service with the same team ... recorded four strikeouts on June 12 vs Chicago to

pass Jesse Haines (979) and move into third on the Cards' all-time strikeout list ... the right-hander recorded his 1,000th career strikeout on July 31 when he struck out Pirates' pitcher Brian Fisher ... Forsch provided offensive punch as well with a .298 batting average, 2 HR, and 8 RBI ... Forsch homered on May 13 at S.F. off Kelly Downs and July 16 at S.D. off Ed Whitson, for his 11th and 12th career homers ... Bob's 12 homers rank second all-time among Cardinal pitchers to Bob Gibson (24) ... Forsch had 5 multi-hit games and was named best hitting pitcher in the N.L. by a poll taken of major league managers ... was named to The Sporting News Silver Slugger team for the second time in his career ... was forced to leave Sept. 1 (4.1 IP vs CIN) and Sept. 15 (1.1 IP at PHI) starts with a strained right groin muscle ... averaged 4.5 strikeouts and 2.3 walks per 9 IP ... led Cardinal pitchers in fielding with a flawless 1,000 pct. mark (34 total chances) ... has not made an error since 1985 ... won 5 of his first 6 decisions and was 6-1 from June 12-August 10 ... was unscored upon in each of his three relief appearances ... worked into the seventh inning in 18 of his 30 starts ... struck out a season-high eight batters in 5.2 IP on Sept. 20 vs CHI ... was batting .444 (12-for-27) through June 17 ... 8 of his 17 hits went for extra bases ... appeared as a pinch-hitter on August 9 at PHI and drew a walk ... appeared in three NLCS games and was 1-1 with a victory in relief during Game #3 ... was used as a reliever in three World Series games and was credited with a victory in Game #4 after relieving Greg Mathews ... was 2-1 in 6 post-season games ... his two victories during the post-season equalled Danny Cox and John Tudor for club high.

CAREER HIGHLIGHTS: 1968 Selected by St. Louis in 38th round of June free-agent draft and signed by Cardinals' scout Bill Sayles ... started pro career as a third baseman and was named to Gulf Coast All-Star team. 1969 - Played third, second and the outfield, but hit only .203 in the Northwestern League and .235 in California League. 1970 - Was converted into a pitcher. 1971 - Recorded an 11-7 record with a 3.13 ERA in first full season as a pitcher. 1972 - Pitched seven inning 4-0 no-hitter against Memphis on 5/13 ... led Texas League in hit batsmen with 10. 1973 - Pitched 5-0 no-hitter against Denver on 5/25 ... after going 12-12 in AAA season was called up in Sept., but did not appear in any games. 1974 - Opened the season at AAA, but after 15 games was called up to big leagues where he made his debut 7/7 (2nd game), losing 2-1 at CIN ... 7/12 started against ATL, shutting out Braves 10-0 on four hits for first M.L. win. 1975 - Was the top Cardinal starter in winning pct. and ERA. 1976 - Had no decisions in first five starts, and just one in first ten. 1977 - Fought off leg and back injuries to become the Cardinals' first 20-game winner since 1971 ... won five straight games during one stretch and had a 1.70 ERA during the streak. 1978 - A bad year for Bob as he lost nine in a row at one stretch, even though he started the season with a bang by throwing a 5-0 no-hit game vs PHI April 16, at home. 1979 - Recorded an 11-11 mark in 1979 but had an outstanding second half of the season, winning 7 of his last 8 decisions and allowing only 1 home run in his last 61.2 innings ... member of the National League All-Star team which toured Japan in off-season. 1980 - Finished with 11 wins (for the third straight season) and lost fewer games than either of his previous two seasons. Missed starts because of physical problems including a spiked heel, blisters and a tender shoulder ... named to the Sporting News National League Silver Bat team. 1981 - Ironically, was the starting pitcher on both "opening days" of the 1981 season for the Cards; losing the first 'opener' to PHI on April 11, and winning the second-half 'opener' against the same team on August 10 ... his fielding percentage was a perfect 1.000 in 34 chances. 1981 - His 3.19 ERA was personal best since first full season in 1975. 1982 - Tied Joaquin Andujar for the team lead in wins with 15 ... victory total exceeded his output for each of the past four years and placed the year second only to his 20-game year in 1977 ... reached the 100-victory plateau on June 4, in a complete game, 5-2 win over the Dodgers at home ... in a strange turn of events on 5/15 at ATL recorded the first save of his career when he became the eighth Cardinal pitcher to appear in the game and preserved a 7-6 victory for Bruce Sutter ... pitched his best game of the season on October 7, when he shut out the Braves in the opening game of the National League Championship series ... struck out six and gave up only 3 hits in the 7-0 Cardinal win. It was only the third shutout in LCS history. 1983 - Season was almost all peaks and valleys ... fashioned his second career no-hitter but also was knocked out of the starting rotation for the first time in his career ... didn't pitch at all for a 10-day period between his start on August 14 and his relief appearance on August 24 ... did not start again until Sept. 5, marking the first time in his career he had been assigned to the bullpen for an extended period of time ... no-hitter was recorded on Sept. 26, against Montreal with only 2 batters reaching base - one on an error and another when hit by a pitch. 1984 - Was a year of pain for Bob Forsch. Troubled by back pains from the beginning, it turned into a lost year for the veteran of the Redbird staff ... he had spurts of excellence, but frequently had to leave games early because of back pain. Finally, on June 25, with his record at 1-4 in ten appearances and when less drastic treatment had failed, he underwent surgery to relieve pressure on a decompressed nerve in lower left back. At that time, doctors said he was out for the season, but were optimistic about future years. However, Forsch applied himself to the rehabilitation program, and was restored to the active list on Sept. 3. He appeared in six games (two starts) before the season ended, and reported freedom from pain. His final month record was 1-1; having scored a victory in relief against Pittsburgh with one inning of relief on Sept. 6. 1985 - Served as the Cardinals' swing man in 1985, splitting time between a starter's role and bullpen work ... came on in relief with the bases loaded and two outs in first inning on 5/22 vs ATL worked the next six innings allowing only one unearned run. St. Louis rallied to win game, 5-3, behind Forsch's home run, the eighth of

career ... retired Keith Moreland on foul pop fly down right field line to save 11-10 St. Louis win at CHI on 6/14 ... was 5-1 in his last nine starts of the season (of which the Cardinals won 8), including three big victories down the stretch in Sept., including 9-3 victory over the Cubs on 9/13, and a 3-hit shutout, 7-0, over the Phillies on 9/18 ... his 4-2 victory over the Cubs on 10/4 clinched a tie for the Eastern Division title for the Redbirds ... started Game #5 of the L.C.S. and got starting call in Game #5 of W.S., also appeared in relief role in Game #7. **1986** - Had one of his finest seasons of a long and successful career with the Cardinals ... notched career win #135 at PHI on 6/20 to move ahead of Dizzy Dean (134) into fifth place on the Cardinals all-time win list ... made his 377th appearance of career with start on 7/12 at SD moving ahead of Bill Doak (376) into fifth place on the Cardinals all-time games pitched list ... had a six-game winning streak from 7/12-8/10, the longest on the club in '86 and a career best ... on 9/17 at PHI struckout the 939th batter of his career to move ahead of Doak (938) into fifth place on St. Louis all-time strikeout list ... led club in games started, innings and wins ... with 14 wins Bob reached double figures in wins for the ninth time in his career ... In eight of his ten losses the Redbird's were held to two or less runs ... averaged 7.0 IP per start and 2.66 walks/4.07 strikeouts per 9 IP ... was 12th in National League ERA ... was flawless in 49 fielding chances for a 1.000 fielding pct. ... often helped his own cause offensively ... had grand slam 8/10 vs PIT off Mike Bielecki to pace Cards to 5-4 win (7th St.L. pitcher to hit slam) and a 3-run homer 9/12 vs Floyd Youmans of Montreal ... led all N.L. pitchers with 12 RBI in '86.

MISC: Graduated from Hiram W. Johnson High School in Sacramento where he played two years of varsity basketball and was named MVP his senior year. In baseball he was All-City as well as MVP that year. He attended Sacramento City College ... he and his wife, the former Mollie Kneen, have two daughters, Amy Lynn (1/23/76) and Kristin Rae (11/18/78) ... the highlight of his career, according to Forsch, was the first time he wore a major league uniform on September 2, 1973 in New York's Shea Stadium ... he and his brother Ken are first brother combination in baseball history to pitch no-hitters ... enjoys bass fishing and quail and pheasant hunting ... senior current Cardinal. in terms of service, with 14 seasons in Redbirds' uniform.

Age: 30 (Turns 31 on August 6)

BECAME CARDINAL — Signed as a free-agent on January 14, 1988.

M.L. SERVICE — 8.108

1987 SEASON: Inked a one-year contract with the Yakult Swallows of the Japanese Central League and began play on May 5 ... made a smashing debut in a three-game series against the popular Hanshin Tigers ... had a homer in his first game for the Swallows and followed up the next day with a three-homer performance ... belted six homers out of seven hits in his first four games ... was 7-for-11 (.636) with 6 HR's, 7 RBI and 5 walks during his first four games ... carried the previously lowly Swallows, picked by many to finish last, to a fourth place finish in the Central League ... was leading hitter among U.S. players in the Central League with a .327 average in 93 games ... finished fifth in the Central League in home runs (31) and was tenth in RBI (73) ... would have finished fourth among league batters but failed to qualify due to insufficient at-bats ... averaged a homer every 9.8 at-bats ... was walked 51 times (once every seven plate appearances) ... was used as both a first baseman and third baseman by the Swallows.

CAREER HIGHLIGHTS: **1978** - Broke in with homer in first game after being chosen as nation's No. 1 draft pick off Arizona State University campus ... Homer came off Pittsburgh's Bert Blyleven, 6/16, at Atlanta Stadium ... Horner had one other hit, a single, in his debut ... Rookie of the Year honors by The Sporting News and the Baseball Writers Association of America ... of his 23 homers, 19 came at ATL, four at CHI ... homered once every 14.04 at-bats, a better average than any previous Rookie of the Year, including Willie McCovey ... underwent successful shoulder surgery in off-season ... impressed all observers ... "Another Harmon Killebrew," said Montreal Manager Dick Williams ... Braves had planned to start Horner at Savannah, but he talked them into staying with parent club ... hit NCAA record 25 homers at Arizona State ... was also impressive defensively at third base ... set Atlanta team record with nine sacrifice flies. **1979** - In less than two full seasons, Bob established himself as one of the top sluggers in baseball ... ranked 5th in the NL in slugging percentage, .552 and had the second longest batting streak of the season, 20 games ... was 5th in the NL in batting average, .314 ... also, had two 4-hit games on 6/8 vs PHI and 6/28 against SD ... Bob feasted on Pennsylvania pitching in '79 ... hit .450 with 3 home runs against Phillies and .440 with 3 homers versus Pirates ... missed six weeks due to bone chips suffered in season opener at Houston ... tied with Dale Murphy for club game-winning RBI leadership with 8. **1980** - One of the top sluggers in the game, Bob finished second in the NL (behind Mike Schmidt) with 35 homers in 1980 ... with the

Braves' Dale Murphy finishing third with 33 home runs, it was the first time in the league that two players from the same team finished in the top three in homers since the Braves' Davey Johnson and Darrell Evans accomplished the feat in 1973 ... after a slow start and early season injuries, Horner hit .302 with 30 homers and 76 RBIs during the final 90 games ... he was named Player of the Month of July in the NL when he hit 14 home runs and had 33 RBIs ... his 14 homers in July fell one short of the major league record for that month shared by Joe Adcock, Hank Greenberg and Joe DiMaggio ... Bob hit two homers in a game four times on 6/1, 7/16, 7/22 and 9/7 ... his 12-game hitting streak in July tied Gary Matthews for the club's longest in 1980 ... Bob also had two 9-game streaks ... hit .307 with 23 homers at home in 1980 ... hit five homers each against HOU, LA and PHIL and four versus PITT, SD and SF ... batted in runs in eight consecutive games in July to tie club record he previously shared with Hank Aaron and Eddie Mathews ... his 89 RBIs tied Dale Murphy for the club leadership. **1981** - Bob led the Braves in homers for the fourth consecutive year in 1981 and he ranked eighth in the National League ... finished with a flurry of homers the last week of the season and was named the N.L. Player of the Week for 9/28-10/4 in the process ... hit six home runs in five games from 9/29-10/3, just one short of the National League mark held by Jim Bottomley, Johnny Bench and Mike Schmidt ... had three 2-homer games in 1981: 8/22 vs MTL, 9/29 vs LA and 10/3 against CIN ... hit his 100th career major league home run off Houston's Nolan Ryan on 9/9 ... four of his 1981 home runs came against CIN ... Bob had three 4-hit games: 5/4 against STL, 8/22 against MTL and 9/29 vs LA ... had an 11-game hitting streak from 5/3-8/12 ... Bob's six game-winning RBIs were second most by a Braves player in 1981 ... played well against the top teams ... hit .318 against Houston, .310 vs MTL and .438 against STL. **1982** - Was headed toward career-highs in both homers and RBIs in 1982 before falling to injury on 9/18 ... still, his 97 RBIs were just one short of his top mark of 98 in 1979 and his 32 homers fell just three shy of 35 hit in 1980 ... Bob did set personal marks of 13 game-winning RBIs, 85 runs scored, 24 doubles and 66 walks in '82 ... moved into second place on all-time Atlanta home run list behind Hank Aaron and third place behind Aaron and Murphy in RBIs ... hit two home runs in game four times in '82: 6/30 vs HOU, 7/4 vs CIN, 7/28 vs SD and 8/25 vs PHI ... had five hits in game at SF (2 doubles, 3 singles), 6/12 and four hits in MTL (1 double, 3 singles) 5/19 ... fourteen-game hitting streak from 4/24 thru 5/13 & .404, 7 HR, 12 RBIs tied for second on Braves in '82 ... hit .287 with runners in scoring position ... most of Horner's 1982 home runs were hit in four streaks: hit seven homers in 11 games from 4/24-5/9, seven home runs in eight games from 6/30-7/8, five homers in nine games from 7/28-9/4 and five homers in 10 games from 9/6-15 ... hit back-to-back homers with Dale Murphy on consecutive nights against Chicago, April 28 & 29, both in the eighth inning ... ironically, though the two had played together four previous season, it was only the second and third times they accomplished the feat ... achieved an oddity on 7/27 when he reached base five times without an official at-bat ... San Diego pitching issued Horner three walks and hit him with a pitch twice ... Bob was named to the N.L. All-Star team for the first time in '82 ... hit .328 with five homers and 10 RBIs vs Giants, .318 with three homers and 13 RBIs vs Phillies and .318 with three homers and 11 RBIs vs St. Louis ... hit five home runs against CIN ... tied for 3rd in N.L. in fielding percentage among third basemen, .970. **1983** - Bob was having his top all-around season until felled by broken bone in right wrist on 8/15 ... despite having to sit out final seven weeks because of that injury, and 10 days in June because of an injured ankle, Horner hit 20 homers and had 10 game-winning RBIs ... both figures tied for second on the Braves in 1983, remarkable considering the fact that he missed one-third of the season ... Horner's .303 average was his highest since 1979, his sophomore year as a pro, when he batted .314 ... he also led Atlanta and set a personal high with 25 doubles in 1983 ... five of Horner's first 14 hits last year were home runs ... through the first week of May he had seven roundtrippers ... only once did he hit two in the same game, on 7/24 vs PHI ... Bob was the N.L.'s Player of the Week for May 23-29 when he batted .464 with seven RBIs, six runs and six doubles ... had three 10-game hitting streaks in 1983, one each in May, July and August ... had four hits in game at SF, 7/3 ... hit .329 at home, .317 vs left-handers and .298 against right-handers ... four homers and 11 RBIs came against PHI ... hit three homers each vs LA and SF ... batted .455 against Pirates and .425 vs Giants ... among N.L. third basemen playing in 100 or more games Horner tied for third in fielding percentage (.958) with Bill Madlock, behind Ken Oberkfell (.960) and Mike Schmidt (.959). **1984** - Was sidelined for the season after May 30 because of a broken navicular bone in his right wrist ... it was the same bone he broke 7/15/83 and which kept him out of the lineup for seven weeks that season ... prior to the reinjury of his wrist, Horner also missed 16 games because of a jammed left shoulder suffered in a collision with catcher Tom Wieghaus at Houston, 4/27 ... between the two injuries, however, Bob went on a hitting tear, batting .383 with 11 RBIs in 13 games ... he hit safely in ten of the 13 games and had a seven-game hitting streak during that span ... the day before he re-injured his wrist, Bob went four-for-four vs CHI with two doubles and three RBIs. **1985** - Horner's recovery from off-season wrist surgery was one of the highlights of a disappointing season for the Braves ... surprised the club when he reported to spring training ahead of schedule, began batting immediately and was in the Braves' line-up on opening day; a very unexpected bonus ... began the season slowly, being careful not to overwork the fragile wrist, but before mid-season was feeling confidence at the plate again and posting numbers like he had prior to the injury ... batted .293 in June and .378 in July ... had only one home run in his first 28 games, but hit 26 in the next 100 outings ... had five two-home run games to give

him a total of 24 in his career ... his 130 games played qualified as the second most in his career, trailing only the 140 he played in 1982 ... in a mid-season experiment, he borrowed a glove from Chris Chambliss and started a game at first base on 6/10, the first time he had played that position since 1983 when he handled chores there for one game, and only the 48th time in his major league career that he played at first base ... the experiment was an immediate success ... Horner adapted well to the change in position, fielding a perfect 1.000 in 950 total chances and participating in 105 double plays in 85 games ... Horner made 11 errors in 41 games at third base in 1985 ... hit .484 (15-31) with 3 home runs, 7 doubles, 1 triple and 14 RBI in his first nine games after the switch ... on the year, Bob hit .278 with 23 homers and 71 RBI while playing at first and .243 with 4 home runs and 15 RBI while playing at third ... Horner's .499 slugging percentage was second only to Dale Murphy's .538 in 1985 ... his 27 home runs marked the first time since 1979 that an Atlanta first baseman had more than 20 home runs ... that year Murphy and Horner shared duties at first base and each had more than 20; Horner hitting 33 and Murphy 21 ... - On some good reading —
"I read a good book last night. JFK - The Man and The Airport."
- On his arm injury —
"I'll be sidelined 14 days. For you English majors, that's a fortnight."

MINOR LEAGUE MANAGERS

MIKE JORGENSEN — LOUISVILLE

Mike Jorgensen ended his 15-plus year major league playing career at the end of the 1985 season and was immediately taken on as an instructor in the Cardinals' minor league organization. Midway in the season, he became manager at St. Petersburg when Dave Bialas moved up from St. Pete to Louisville to replace Jim Fregosi, who was named manager of the Chicago White Sox. Mike completed the season at St. Pete, where the team finished with a 88-48 record, best in the league. Guided Louisville to a second place finish last season; his first as a AAA skipper.

Jorgensen, left-handed hitting outfielder-first baseman, was originally signed by the New York Mets out of the June, 1966, free agent draft, and made it to the major leagues with the Mets briefly in 1968, and came up to stay in 1971. He was traded to Montreal in 1972 and spent five-plus seasons there, then went to Oakland for part of 1977, to the Texas Rangers in 1978 and 1979, then back to the Mets from 1980 until they sent him to Atlanta in 1983. He became a Cardinal on June 15, 1984, in a deal with pitcher Ken Dayley which sent third baseman Ken Oberkfell to Atlanta.

Mike and his wife, Brenda, and three children live in Arlington, TX.

JIM RIGGLEMAN — ARKANSAS

Jim Riggleman's first year managing at the AA level was successful when his Arkansas team won the first-half title in 1985. However, second-half winner Jackson eliminated the Travelers in the playoff. In 1986 with an overall 67-67 mark, his team finished second in both halves of the Texas League season. Led club to a 72-63 finish during 1987.

Jim previously had two and a half successful seasons at Class A, St. Petersburg, with a 185-171 .520 record and had his team in the playoffs two of three years.

Prior to being called on to manage, Riggleman was serving as a coach for the AAA Louisville Redbirds. A Cardinal farm hand for six years, Riggleman began his coaching career in 1981 when he acted as a player-coach for the Arkansas Travellers for the first part of the campaign and then retired from his playing career in May to concentrate on coaching.

His best year as a player came in 1980 when he batted .295 and hit 21 home runs for the Arkansas Travellers. The third baseman was selected on both the 1980 Topps Chewing Gum National Association Class AA All-Star team and the Texas League's All-Star team. He played in the Los Angeles Dodger organization from 1974 until 1976.

Riggleman, age 35, is a graduate of Frostburg State College with a major in physical education. He lives in Rockville, Maryland.

During the off-season, Riggleman works as a substitute teacher on the high school level.

DAVE BIALAS — ST. PETERSBURG

In his third season at St. Petersburg, Dave Bialas saw his club capture the FSL Western Division title for the second straight season. Bialas's St. Petersburg club was far in front in 1986 and won easily, although Dave was transferred to Louisville in mid-season when Jim Fregosi left Louisville to become manager of the Chicago White Sox.

Bialas is back in St. Petersburg, where his team in 1985 finished with a 78-62 record and earned a wild card spot in the playoffs. Before he came to St. Pete, Dave had managed Springfield to first-place finishes in 1982 and 1983, and had finished second and third, respectively, in the two halves of the season at Arkansas in 1984.

Bialas spent all of his 10-year minor league career with the Cardinals organization. He began his career in 1973 at Orangeburg and ended it making some appearances as a designated hitter in 1982, as a player-manager at Springfield.

He was originally selected by the Cardinals in the June, 1972, free-agent draft following his graduation from Bellaire, TX, High School. He was signed by Scout Hal Smith. Bialas, born March 6, 1954, at Houston, Texas, lives at Bellaire with his wife and son.

MARK DeJOHN — SPRINGFIELD

After 14 years in the organizations of the New York Mets and the Detroit Tigers, Mark DeJohn made a successful debut with the Cardinals in 1986 when the Savannah club he managed, finished with an overall 75-60 record and second-place finishes in both halves of the season. Is entering his first season at Springfield after two seasons in Savannah.

He originally signed with the Mets, starting play in 1971 as a shortstop, and switched to the Tigers in 1978. His only major league experience was in 24 games with Detroit in 1983, his final season as a player.

He was a minor league instructor for Detroit in 1984 and a coach and manager at Birmingham in 1985 before leaving the Tiger organization in mid-season to become a coach for the Kansas City Royals' Eugene club in the Northwest League.

DeJohn, born September 8, 1953, at Middletown, CT, now lives at Berlin, CT.

KEITH CHAMPION — SAVANNAH

Keith Champion, a native of Granite City, IL, begins his first season as a manager in professional baseball. Champion has been serving as coach at Arkansas for the past three years and coached at Savannah in 1985 and Springfield in 1986.

A catcher in the Cardinals' organization from 1982 through 1984, the 28-year-old Champion was an All-American catcher at Southwest Missouri State University (Springfield) from 1977 through 1982. Graduated from Southwest Missouri State in 1981 with a B.A. degree in Fine Arts.

Was a 1977 graduate of Granite City South High School, where he earned All-State honors as a catcher. Keith's brother is head baseball coach at Southern Illinois University (Carbondale) and his father is a scout for the Kansas City Royals. Champion works during the off-season for the Cable News Network in Atlanta, GA.

DAN RADISON — HAMILTON

Dan Radison is starting his third year as a manager in the Cardinals' organization. In 1986 at Johnson City, his record was 44-22, best in the Appalachian League and the best percentage in the Redbird organization. Last season he guided Johnson City to the Southern Division title with a 42-27 mark.

Radison becomes the first manager of the Hamilton Cardinals, as they replace Erie in the New York-Penn League.

As a player, he was in the Redbird organization from 1972 to 1974, catching at Sarasota, St. Petersburg, Modesto, Arkansas and Tulsa. As a player, he was a 10th round selection in the June, 1972, free agent draft, and was signed by Fred McAlister and Joe Mathes. He has been a manager for the New York Mets for the past two seasons, finishing 7th at Kingsport in the Appalachian League in 1984 and 8th at Little Falls in the New York-Penn League in 1985. He graduated from Columbia, IL, high school in 1969, and later attended Southern Illinois University at Carbondale. He was born Aug. 24, 1950 at St. Louis and now lives in Deerfield Beach, FL.

GAYLEN PITTS — JOHNSON CITY

Gaylen Pitts returned to the managerial ranks at Savannah in 1985 after spending the previous two seasons in the coach's box at Louisville. Pitts, a former Cardinal minor league player who made it to the major leagues as an infielder with the Oakland A's, rejoined the Cardinals in 1981 serving as manager of the AA team at Arkansas in '81 and the early part of '82. Last year his Springfield team had an 94-46 record, first in the Midwest League. It marked the second straight year that Pitts took Springfield to the Midwest League post-season.

Pitts' previous managing experience came with Modesto of the A's organization where he finished fourth in both 1978 and '79.

He originally signed with the Cardinal organization in 1964 out of Mountain Home, AR, High School, where he lettered in baseball, basketball and football. He also attended the University of Arkansas and Arkansas State University, Jonesboro. He played in the Cardinal minor league organization until 1971, reaching as high as Triple - A. His major league experience was 18 games in 1974 and 10 in 1975 with Oakland.

THE THREE MILLION CLUB

The Cardinals passed the 3,000,000 attendance mark for the first time in club history on Oct. 3, 1987 and became just the third club in M.L. history to reach three million (Los Angeles - 7 times, New York - 1) . . . The Cardinals drew a M.L. high 3,072,122 fans last season, surpassing the Mets who drew 3,027,121 fans at home . . . The Cardinals eclipsed N.L. record for road attendance with 2,321,960 fans on the road in 1987.

ARKANSAS COACH — To Be Determined

MARK RIGGINS — ST. PETERSBURG

Mark Riggins returns for his fifth season as a coach in the Cardinals' organization and four of the five years he's been with a different team. He was at Johnson City in 1984, St. Petersburg in 1985, Arkansas in 1986 and Springfield in 1987.

The 31-year-old native of Jasper, IN, had a 5-year minor league playing career in the St. Louis system, which saw him reach as high as the Triple A level in 1983.

Riggins in 1980, led Florida State League pitchers in games (57) and saves (13) and was named to the league's All-Star team.

The 1979 graduate of Murray State University was a 3-year All-Conference pitcher.

CHRIS MALONEY — SPRINGFIELD COACH

Chris Maloney is in his first season as a coach in the Cardinals minor league organization. The former outfielder-first baseman was originally signed by the Mets as a non-drafted free-agent in June, 1983. Maloney was purchased by the Cardinals from the Mets in 1986 and last played professional ball for the Cardinals class A Springfield club in 1986. He is a graduate of St. Joseph High in Jackson, Mississippi (1979) and Mississippi State University (1983). Maloney resides in Jackson (MS) in the off-season.

MARTY MASON — SAVANNAH

Marty Mason retired as a player in the Cardinals' minor league organization following the 1985 season, and now is starting his third season as a coach in the Cardinals' farm system.

Marty, born April 4, 1958 at Centray City, KY, originally signed with the New York Yankees' organization in 1980, but came to the Cardinals in a player deal in December, 1982, after he had played for the Cardinals' Springfield, IL, club on loan from the Yankees in 1982. In 1981 he led South Atlantic League pitchers in percentage with 11-2; .846. He played at Arkansas and St. Petersburg in 1985.

LUIS MELENDEZ — HAMILTON COACH

Luis Melendez is in his first season as coach at Hamilton. The former outfielder signed his first professional contract in 1968 with the Cardinals and played eight years in the major leagues with St. Louis and San Diego. He enjoyed his best season in 1973 when he had career-highs in games (121), runs (35), hits (91), doubles (18) and RBI (35). The 38-year-old Melendez resides in his home town of Aibonito, P.R. during the off-season.

JORGE ARANZAMENDI — JOHNSON CITY

Jorge Aranzamendi enters his sixth season as a coach in the Cardinal farm system. He began his coaching career in 1982 at Arkansas and coached at Savannah in 1984 and at Johnson City in 1985.

Aranzamendi had a 9 year minor league career spanning from 1971 to '81. He played the infield at all levels of the Cardinal organization from '77 to '81.

Jorge also coaches in his native country, Puerto Rico, during the off-season.

FARM SYSTEM INSTRUCTORS

DON BLASINGAME INSTRUCTOR

"The Blazer", a long-time Cardinal favorite as a player, returned to the Redbirds in 1983 as an infield instructor in the minor leagues.

Blasingame, 55, had a 12-year major league career in the United States - the first five of them with the Cardinals. He later played with San Francisco, Cincinnati, Washington and Kansas City.

Following his U.S. play, he went to Japan, and played for three more years, with the Nankai Hawks in Osaka, before becoming a coach. He coached with the Hawks for eight years and with the Hiroshima Carp in 1978. He was manager of the Hanshin Tigers in 1979 and '80, and for the Nankai Hawks in 1981 and '82. He still is under contract to the Hawks as their representative in the United States.

He and his wife, Sara, and four children reside in Tempe, AZ.

STEVE BRAUN HITTING INSTRUCTOR

Steve Braun, who ended a 15-year major league career at the end of the 1985 season, became a minor league hitting instructor for the Cardinals in mid-1986 after retiring from active play at Louisville.

At the end of 1985, Braun was the pinch-hit leader among active players with 113, which is sixth on the all-time list. His 60 pinch-hits as a Cardinal make him the all-time team leader. Braun spent the last five years of his big league career with the Cardinals, predominately as a pinch-hitter. He was with the Minnesota Twins from 1971 through 1976, and with Seattle, Kansas City and Toronto from 1977 through 1980.

He participated in the league championship series in 1978 at Kansas City and in 1982 and 1985 he was in both the LCS and the World Series with the Cardinals.

He lives in the Minneapolis area with his wife, Diane, and a son and daughter.

HUB KITTLE PITCHING INSTRUCTOR

After three seasons as pitching coach of the St. Louis Cardinals, Hub Kittle returned in 1984 to the job he held for four years previous to that — a position as pitching instructor in the Cardinals' minor league system. He also spends some time in free-agent scouting.

The 71-year-old Kittle's previous jobs with the Cardinals were as minor league pitching instructor in 1976 and from 1978 to '80, and as manager at St. Petersburg in 1977.

Among other distinctions, Hub has pitched professionally in six decades, capping it with a one-inning stint at Springfield, Ill., late in the 1980 season. (He got them out 1-2-3).

Kittle makes his home in Yakima, Washington, and is the father of seven children (four sons and three daughters). He started pitching professionally in 1936, but never reached the major leagues. He became a minor league manager in 1948, the first of 19 seasons he would pilot farm system clubs. From 1960 to '63 he served as General Manager at Yakima, WA, Honolulu and Portland, OR. He was named Minor League Executive of the Year by The Sporting News while at Yakima in 1960. He joined the Houston organization as a minor league manager in 1968 and served on the Astro coaching staff from 1971-'75.

DAROLD KNOWLES PITCHING INSTRUCTOR

Darold Knowles, who spent the last two seasons of his long and successful major league pitching career with the Cardinals, moved into the coaching area for the first time in 1981 as a pitching instructor.

In his 15-year career as a reliever (he appeared in 775 games, major league record for left-handers, and started only 8), he won 66, lost 74 and had 143 saves. He pitched for eight major league clubs, and was a member of the Oakland teams that won four divisional titles, three pennants and three World Series (1972-73-74). He is the only major league pitcher to appear in seven games in one World Series. He did that in 1973 against the Mets, and had saves in games 1 and 7.

BOB MILLIKEN PITCHING INSTRUCTOR

Bob Milliken returns for his 12th year in his second term as a farm system pitching instructor for the Cardinals. 'Bo' also served as the organization's pitching instructor from 1971-75 and

then became a pitching coach in 1976 for St. Louis. He was the Red Birds' bullpen coach from 1965-70.

Milliken was an active player for 15 years. He played in the Dodger organization from 1947-59. He contributed an 8-4 record as long relief man for the pennant-winning Dodger club in 1953, and pitched against the Yankees in the World Series. He joined the Cardinal organization in 1960 and pitched for Red Bird farm clubs at Memphis, Atlanta and Charleston.

Bob pitched batting practice for the Cardinals in 1963 and '64.

TED SAVAGE INSTRUCTOR

Ted Savage is in his first season as hitting instructor for the Cardinals. Savage, who joined the club in September of 1987 after spending nine years as athletic director at Harris Stowe State College in St. Louis, also serves as the Cardinals assistant director of community relations.

The 50-year-old native of Venice, IL, played for the Cardinals from 1965 through mid-1967. In nine big league seasons, Savage played for seven teams and posted a .233 career batting average. The former outfielder enjoyed his best season in 1970, when he batted .279 with 12 HR for Milwaukee.

Savage holds a Ph.D. degree in Urban Studies from St. Louis University and has worked closely with the Cardinals' speaker's bureau, winter caravan and also served as hitting instructor during winter instructional league play. Ted and his wife, Phyllis have two daughters - Carla and Wanda.

RUNNING REDBIRDS

The Cardinals running attack, paced by speedster Vince Coleman (Major League high 109 SB), was back at its running ways in 1987 . . . The Cards had a season high six steals against the Cubs (4/9), the Phillies (6/10) and Expos (6/20) . . . The running Redbirds, who stole 248 bases in 1987, reached the 200 steal mark for the sixth straight season . . . Only the Cubs (8 seasons from 1901-08) and the Tigers (7 seasons from 1909-15) have put together more 200 steal seasons . . . The Cardinals 248 stolen bases were tops in the Major Leagues.

THE RUNNING GAME

SIX YEARS IN A ROW: The Running Redbirds stole 248 bases in 1987 marking the sixth straight year the club has hit the 200 mark (1982-200, 1983-207, 1984-220, 1985-311, 1986-262). Only five other teams have stolen 200 bases for six straight years, and the feat had not been accomplished since 1914. The following is a list of clubs which have stolen 200 or more bases in five or more seasons:

Chicago Cubs 1901-1908 (8 Seasons)
 Detroit Tigers 1909-1915 (7 Seasons)
 Cincinnati Reds 1909-1914 (6 Seasons)
 New York Giants 1909-1914 (6 Seasons)
 Philadelphia Athletics 1909-1914 (6 Seasons)
ST. LOUIS CARDINALS 1982-1987 (6 Seasons)
 New York Yankees 1910-1914 (5 Seasons)
 New York Giants 1903-1907 (5 Seasons)

Other Cardinal teams to steal 200 or more bases were: 204 in 1892, 250 in 1893, 207 in 1899 and 243 in 1900.

5 x 20: The Cardinals, in 1986, had five players accumulate 20 or more stolen bases — Vince Coleman, 107; Ozzie Smith, 31; Terry Pendleton, 24; Tom Herr, 22 and Andy Van Slyke, 21. The Redbirds club record for most runners with 20 or more steals is six players accomplished in the 1892 and 1900 seasons. The last time a major league team had six players with 20 or more stolen bases was in 1980 when the Houston Astros did it with Cesar Cedeno, 48; Jose Cruz, 36; Terry Puhl, 27; Joe Morgan, 24; Rafael Landestoy, 23 and Enos Cabel, 21. The Cardinals, in 1985, set a team record when five players exceeded 30 stolen bases — Vince Coleman, 110; Willie McGee, 56; Andy Van Slyke, 34; Tom Herr, 31 and Ozzie Smith, 31.

THE CARDINALS' WORLD SERIES STORY YEAR-BY-YEAR

- 1926** The Cardinals defeated the Yankees, four games to three, to win their first world championship. Grover Cleveland Alexander, obtained by the Redbirds in a midseason trade with the Chicago Cubs, won the second and sixth games, then came on to save the seventh.
- 1928** Babe Ruth and Lou Gehrig paced the Yankees to a four-game sweep of the Cardinals. Ruth hit .625 for the Series and had three home runs in one game, and Gehrig had a .545 batting average. Four of Gehrig's six hits were home runs, and he had nine runs-batted-in.
- 1930** Connie Mack's Philadelphia Athletics defeated the Cardinals, four games to two, as the Redbirds hit only .200 and the Athletics .197. Cardinal victories were scored by Bill Hallahan, 5-0, in the third game, and Jesse Haines, 3-1, in the fourth.
- 1931** The Cardinals got revenge on the Athletics, defeating Philadelphia, four games to three. Pepper Martin, the Wild Horse of the Osage, paced the Redbirds, stealing five bases, collecting 12 hits and hitting .500. Bill Hallahan and Burleigh Grimes each pitched two victories for the Cardinals.
- 1934** The "Gas-House Gang" won the National League pennant on the final day of the season, then defeated Detroit in the Series, four games to three. Dizzy and Paul Dean, who combined to win 49 games during the regular season, each won two games over the Tigers. The final game of the Series, won by the Cardinals, 11-0, was marked by Commissioner K.M. Landis order to eject Joe (Ducky) Medwick from the game. Medwick had collided with Tiger third baseman Marvin Owen in the sixth inning, and his actions so infuriated the Detroit fans that they bombarded Ducky with fruit, vegetables and debris when he went to his position in left field in the seventh inning. Landis removed Medwick to halt the disturbance.
- 1942** The Cardinals lost the first game of the Series to the Yankees, then roared back to win four straight. Rookie pitcher Johnny Beazley won two games; lefthander Ernie White shut out the Yankees in the third game, and third baseman Whitey Kurowski hit a decisive triple in the second game, then clinched the finale with a two-run home run in the ninth inning.
- 1943** The Yankees evened their World Series record against the Cardinals at 2-2 as they defeated the Redbirds, four games to one. The key play of the Series occurred in the third game. With the Cardinals holding a 2-1 lead in the eighth inning, Johnny Lindell crashed into Whitey Kurowski at third on a sacrifice bunt and jarred the baseball loose from Kurowski's hand. Billy Johnson then tripled to drive in three runs, the Yankees went on to score five times in the inning and Manager Joe McCarthy's powerhouse coasted to victory. The New York Yankees also won the next two games to take the championship.
- 1944** In this only all-St. Louis World Series, pitching dominated and the Cardinals defeated the Browns, four games to two. The pitchers struck out a record total of 92 batters, 49 of them by Cardinal moundsmen and 43 by the Browns' hurlers. Emil Verban topped Cardinal hitters with a .412 average.
- 1946** Harry (The Cat) Brecheen won three games and the Cardinals topped the Boston Red Sox, four games to three. With the score tied 3-3 in the last half of the eighth inning of the seventh game, Enos Slaughter singled, then scored all the way from first on Harry Walker's hit to left center, a sprint that surprised relay man Johnny Pesky of the Red Sox and allowed Slaughter to score the winning run.
- 1964** A team victory for the Cardinals, who defeated the Yankees, four games to three. Bob Gibson won two games; Ken Boyer hit a grand-slam home run to win the fourth game; Tim McCarver, who topped Cardinal hitters in the Series with a .478 average smashed a 10th inning home run to win the fifth game, and Ron Taylor and Roger Craig contributed valuable relief help.
- 1967** Bob Gibson pitched three complete-game victories and Lou Brock put on one of the finest offensive displays in World Series history as the Cardinals defeated the Boston Red Sox, four games to three. Gibson limited the Red Sox to only 14 hits in the three games, and Brock topped all Series hitters with a .414 batting average. Lou also set a Series record by stealing seven bases, and Roger Maris hit .385 and drove in seven runs, a Cardinal Series record.
- 1968** The Cardinals had a three-game-to-one lead, but the Detroit Tigers stormed back to win the last three contests and claim their first world championship in 23 years. Left-hander Mickey Lolich, a motorcycle enthusiast who played in the shadow of 31-game winner Denny McLain all year, was superb for the Tigers as he won three games, including the 4-1 finale. Bob Gibson won two games for the Redbirds, and set records by striking out 17 batters in the first game and a total of 35 for the Series, breaking the mark of 31 he set against the Yankees in 1964.
- 1982** The Cardinals came back from a 3-2 deficit in games to defeat the Milwaukee Brewers and bring the World Series Championship Trophy back to St. Louis for the first time in

THE CARDINALS' WORLD SERIES STORY YEAR-BY-YEAR (CONTINUED)

15 years. Joaquin Andujar nailed down two victories and posted a 1.35 ERA while Bruce Sutter was credited with one win and two saves. John Stuper became only the 14th rookie to start two World Series games, winning the crucial sixth game for the Redbirds in a rain delayed contest that took five hours to complete. Dane Iorg batted .529 and tied a series record for most hits by a designated hitter. Rookie Willie McGee turned heads by hitting two home runs and making two spectacular catches in one game. Darrell Porter was named MVP on the strength of his timely hitting and solid defense.

- 1985** The Cardinals won the National League Championship series after losing the first two games to the Los Angeles Dodgers, then taking four straight games (the final one climaxed by a 3-run, 9th inning homer by Jack Clark). In the World Series, they won the first two games on the road at Kansas City, then lost four of the next five games when their hitting deserted them. The pitching of John Tudor and Todd Worrell took the first game, and Terry Pendleton's ninth inning double with the bases loaded gave them a 4-2 victory the next day. Kansas City won its first game, 6-1, behind Brett Saberhagen, then lost Game No. 4 to Tudor, 3-0. Danny Jackson stopped the Redbirds, 6-1. Key game was No. 6, when the Cardinals carried a 1-0 lead into the ninth inning. The first Kansas City man up in the ninth reached first on a bad call by an umpire, and the Royals then went on to score twice to win, 2-1. Game No. 7 was no contest—it went to the Royals, 11-0.
- 1987** After coming back from a 3-2 deficit to win the National League Championship Series against San Francisco, the Cardinals got off to a slow start by dropping their first two games of the World Series at Minnesota. Upon returning to Busch Stadium for game #3, the Redbirds used a three-run seventh and strong pitching by John Tudor to cut the deficit to 2-1. The next night saw utility infielder Tom Lawless, who was filling in for the injured Terry Pendleton, lead the Cards to a 7-2 win with a three-run homer in the fourth. The round-tripper by Lawless was just the second of his major league career and it evened the series at 2-2. The Cardinals completed their sweep at home with a 4-2 win in Game #5, as both Vince Coleman and Ozzie Smith each stole two bases. Todd Worrell earned his second save of the Series in relief of winner Danny Cox. The Cardinals took a 5-2 lead into the 5th inning of Game #6, but homers by Don Baylor and Kent Hrbek carried the Twins to a 11-5 come-from-behind win and sent the Series to a seventh and deciding game. Series MVP Frank Viola allowed only two runs in the second inning and the Twins Greg Gagne broke a 2-2 tie with an infield single in the 6th inning, as Minnesota won its' first World Championship with a 4-2 win in Game #7. The Series was the first ever in which the home team won each of the seven games.

He won the batting title with a .351 average.

- 1972** Gibson extends his major league record for most season 200 or more strikeouts to nine. Gibson sets National League record with his 2,786th strikeout, the most lifetime for a right-handed pitcher. Brock extends his record for most consecutive season, 50 or more stolen bases to 8. Cardinals draw 50,000,000th fan since 1900.

OTHER CARDINAL HISTORICAL HIGHLIGHTS (CONTINUED)

- 1973** Brock steals his 600th base and moves into 9th place on the all-time list. Brock sets major league record for stealing 50 or more bases for 9 consecutive years. Gibson moves into second place on all-time strikeout list. Torre gets his 2000th hit and 1000th RBI.
- 1974** Brock steals 118 bases to break Maury Wills' one-season mark and Max Carey's National League career record. Lou moves from ninth to second on major league's all-time career stolen base list. Bob Gibson strikes out the 3,000th batter of his career to become only the second pitcher in baseball history to reach that figure. The Cardinals draw more than 1,800,000, the third highest home attendance in their history. Red Birds and Mets play 25 inning game, the longest night game in major league history and the longest game ever played to conclusion. Cardinals win as Bake McBride scores from first on two errors. McBride named "Rookie Of The Year."
- 1975** Lou Brock gets 2500th hit and 800th stolen base of his career. Bob Gibson retires after 17-year Cardinal career and 251 victories. Gibby is honored by SRO crowd on Bob Gibson Day. Jacket Day turnout of 50,548 is largest regular season crowd in St. Louis baseball history. Hrabosky compiles 13 wins and 22 saves and is named "Fireman of the Year." Ted Simmons finishes second in league batting race with .332 average.
- 1976** John Denny wins National League ERA title at age 23, tying youngest right-hander to win ERA title in N.L. Lou Brock gets 270th hit of his career and closes to within 27 of tying Ty Cobb's stolen base record.
- 1977** Lou Brock breaks Ty Cobb's career stolen base mark with number 893 in San Diego, August 29. Garry Templeton becomes youngest M.L. shortstop ever to gather 200 hits in a season. Templeton leads majors with 18 triples, highest number since 1957. Ted Simmons sets club record for home runs by a catcher with 21. Ken Reitz sets new fielding record with N.L. third baseman by committing only 9 errors. Bob Forsch wins 20 games.
- 1978** Bob Forsch no hits Phillies 5-0, April 16 at Busch Stadium. Manager, Vern Rapp dismissed April 24. Ken Boyer becomes Cardinal Manager April 29. Ted Simmons sets club season record and career high with 22 homers for a catcher. George Hendrick has 7 RBI's at Atlanta, August 25. Busch Memorial Stadium gets new astroturf.
- 1979** Lou Brock collected his 3000th career hit (single off Dennis Lamp) in the 4th inning against the Cubs on August 13 at Busch Stadium. On September 23, Brock stole his 938th base making him baseball's all-time stolen base leader surpassing William (Sliding Billy) Hamilton. Keith Hernandez wins batting title with .344 average and is co-winner of National League M.V.P. award with Pittsburgh's Willie Stargell. Garry Templeton led N.L. with 211 hits. Templeton also led the league in triples with 19, for the third year in a row, setting a new N.L. record and tying the major league mark. His 19 triples are highest number since 1957. He became the first switch-hitter in major league history to collect 100 hits, both right and left-handed, in one season. Garry finished with 100 hits RH and 111 hits LH. Ted Simmons hit a career high 26 home runs, which also set a club record for homers by a catcher.
- 1980** Ken Reitz sets new fielding record for N.L. third baseman by committing only 8 errors. Dane Iorg has 7 RBI's, August 28 vs. Atlanta. Manager Ken Boyer dismissed June 8. Whitey Herzog becomes Cardinal manager June 9. On August 18, John Claiborne fired as G.M. and Herzog named G.M. on August 29. Red Schoendienst served as interim manager for balance of season. On October 24, Herzog assumed dual role of general manager and field manager.
- 1981** The Cardinals finished the season with the best winning percentage in the Eastern Division, but missed the playoffs because they finished second in each of the two sections of the schedule caused by the mid-summer players' strike. The Philadelphia Phillies, leaders when the strike began, were voted the first-half championship (however, the Phillies, Cardinals, and Cincinnati Reds voted against it), while Montreal won the second half. In each half, the Cardinals played fewer games than the "winners", and could have tied or won either half with the opportunity to play the same number of games. In the individual field, Bruce Sutter, one of several players obtained in winter trades by Herzog, was the National League's top reliever, winning the Rolands Relief Man award.
- 1982** In order to concentrate more on his managing duties, Whitey Herzog stepped down as General Manager on Opening Day, turning the reins over to Joe McDonald. The move paid off as the Cardinals were out of first place for only 48 days of the season and claimed their first ever National League East Championship. A 3-0 sweep of the Atlanta Braves put the Cards in their 13th World Series against the Milwaukee Brewers who fell 4-3 to St. Louis in the 'Fall Classic.' The 1982 team was characterized by an aggressive running style of baseball; seven players stole bases in the double figures, led by team catalyst Lonnie Smith who swiped 68. The team hit only 67 home runs, the fewest in the major leagues. Strong and consistent pitching performances were the rule; prior to clinching the title the Cardinals never lost more than three games in a row. Bruce Sutter had a hand in almost half of the team's victories.

OTHER CARDINAL HISTORICAL HIGHLIGHTS (CONTINUED)

- 1983** Despite the fact that the 1983 Cardinals finished in fourth place, eleven games out, the team was competitive and exciting, although inconsistent, throughout much of the season. The team climbed to within $\frac{1}{2}$ game of the division lead on September 5 before embarking on a thirteen-day road trip during which the failure of the starting rotation caused the team to plummet out of contention. Still there were noteworthy performances during the year. As a team, the running Redbirds set a new club record with 207 stolen bases. Individually, Danny Cox made his way from extended spring training in April to playing a part in the Cardinals' starting rotation. Bob Forsch pitched the second no-hitter of his career. The league's best right-fielder, George Hendrick, moved to first base after Keith Hernandez was traded and earned post-season honors at his new position. Ozzie Smith won his fourth straight Gold Glove and Willie McGee won his first one.
- 1984** The Cardinals got off to a bad start in 1984 and dwelled in fifth place for much of the first half of the season before turning things around after the All-Star break. Following the mid-summer classic the Cards posted a 42-33 record, second in the National League only to the eventual N.L. Champions, the Chicago Cubs. That surge lifted the Cards into a third place finish in the division at year end despite contending with many injuries. . . . The team's 220 stolen bases set a new club record, surpassing the 207 mark from 1983, and made them the first major league team since the 1916 St. Louis Browns to steal 200 or more bases three years in a row. . . . Individually, Bruce Sutter set a National League and tied the major league record for saves in a season (45). Joaquin Andujar (20-14) became the club's first 20-game winner in seven seasons. Rookie Terry Pendleton hit .324 after joining the club in July and sparking the team to a 41-29 record. . . . The Cards drew over 2,000,000 fans for the third consecutive year.
- 1985** The Cardinals lost their first four games, struggled to 7-7, then lost four more. The next time they reached .500 it was at 20-20, and then things got better. They finally made it to first place on June 21, and they were there most of the rest of the season. Five defeats in six games early in September left the Cardinals a game behind the New York Mets with 25 to play. But the Redbirds then won 14 of their next 15 and took the division title by three games with 101 victories. Individually, Willie McGee was the batting champion (at .353, a new high for a N.L. switch-hitter) and Most Valuable Player; Vince Coleman was Rookie of the Year with 110 stolen bases and a batting average of .267; Whitey Herzog was Manager of the Year, and John Tudor and Joaquin Andujar each won 21 games and Danny Cox took 18. Willie McGee and Ozzie Smith won Gold Gloves again, and great starts by Tommy Herr (110 RBI) and Jack Clark (22 homers) contributed.
- 1986** The defending National League Champions stumbled at the beginning of the season. After the first two months of the season the Cardinals had the worst record in the League. But the team righted itself posting winning records in each of the next four months to finish third in the National League's Eastern Division. . . . Individually Vince Coleman stole 107 bases to become the first player ever to steal over 100 bases in each of his first two seasons and the first N.L. player to ever steal 100 bases twice; left-handed rookie pitcher Greg Mathews, who was promoted from Louisville, won 11 games in little more than half a season; Ozzie Smith won his seventh straight gold glove and Todd Worrell was named 1986 N.L. Rookie of the Year. Worrell blazed his way to a major league rookie record 36 saves, becoming the first rookie pitcher ever to lead the league in saves and the first rookie to earn N.L. Relief Pitcher of the Year honor. . . . Three attendance milestones were hit and surpassed during the course of the season. The Cardinals reached the two million mark for the fifth consecutive year, drew the 75 millionth fan in the history of the franchise since 1900 and drew the 50 millionth fan to see the Redbirds play under Anheuser-Busch ownership.
- 1987** Sparked by a potent offense, the Cardinals slipped no further than two games back in the N.L. East standings and claimed sole possession of first place on May 22. Beset by injuries to several key players throughout the season, manager Whitey Herzog made use of a mixture of experienced veterans and eager rookies to fill the voids left by injury. The Cardinals extended their lead to $9\frac{1}{2}$ games on July 23 but saw the lead shrink to $1\frac{1}{2}$ games as late as Sept. 19. A come-from-behind win at New York on Sept. 11 followed by a doubleheader sweep of the Expos on Sept. 29, set the stage for the pennant clinching win over Montreal on Oct. 1. Several Cards enjoyed banner seasons offensively, including Vince Coleman (third straight season with 100 SB), Jack Clark (35 HR and 106 RBI), Ozzie Smith (.300 BA for first time in his career), Terry Pendleton (.286 BA and 96 RBI), Willie McGee (105 RBI). The Redbirds had four starters with 10 or more victories (John Tudor, Bob Forsch, Greg Mathews and Danny Cox) while rookie Joe Magrane showed much promise in his initial season. In the bullpen, Todd Worrell followed up his impressive rookie season with 33 saves and Ken Dayley overcame serious elbow surgery to post nine wins in relief. . . . 1987 was a fantastic year at the gate as well, as the Cardinals drew a Major League leading 3,072,122 fans, becoming just the third club in M.L. history to surpass the three million mark in attendance.

ATTENDANCE STREAK

The Cardinals drew 3,072,211 paid fans during the 1987 season to Busch Stadium. It marked the sixth year in a row they've passed 2,000,000 and the first that they drew 3,000,000. It also marked the 25th consecutive year they have passed the 1,000,000 level — the only other team that can make that statement is the Los Angeles Dodgers, who have done it every year since they moved to L.A. in 1958.

CARDINALS' BROADCASTING — 1988 RADIO

KMOX-Radio, St. Louis, will once again be the flagship station for a network of approximately 125 stations covering surrounding states, broadcasting all 1988 games with commentary by Jack Buck and Mike Shannon.

TELEVISION

KPLR (Channel 11), St. Louis, will televise 55 Cardinal road games locally, and selected games will be fed to a network.

CENCOM CABLE system will televise 50 Cardinal home games on a pay-per-view basis. The CENCOM games also will be available on a pay basis to other cable systems in the St. Louis area.

CARDINALS' BROADCASTERS

JACK BUCK

Jack Buck has kept baseball fans spellbound with his diction and quick wit since he joined the Cardinals' broadcasting team in 1954. Buck was paid the ultimate compliment for his skills in 1987 when he is inducted into the broadcast wing of Baseball's Hall of Fame, as the Ford C. Frick Award winner.

The native of Holyoke, MA, who received a Bachelor of Arts degree from Ohio State, got his start in baseball, broadcasting the play-by-play for St. Louis' minor league clubs at Columbus and Rochester.

Jack, KMOX's sports director, has been involved at one time or another in the broadcasting of almost every sports event imaginable. He has received much acclaim for his work as the voice of the National Football League and also handled the first telecast of the old American Football League.

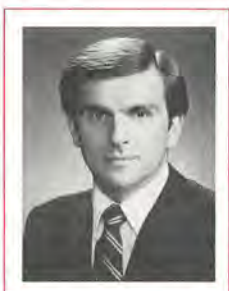

MIKE SHANNON

Mike Shannon enters his 17th season in the Cardinals' broadcast booth. His nine years as a Cardinal player and one-year in the front office of the Redbirds gives Mike a unique insight to his commentary and color, which is only heightened by the zeal for the game.

The 48-year-old native of St. Louis, first made it to the big leagues in 1962 and went on to star on the Cardinals' World Championship teams of 1964 and 1967 and their National League pennant winner in 1968.

Mike joined the Cardinals front office as assistant director of promotions and sales in 1971. His career had been cut short in 1970 by nephritis, a rare kidney disease.

KEN WILSON

Ken Wilson is a veteran broadcaster who knows how to capture the magic moments in a baseball season to their fullest. His calls of Pete Rose's 4,192 career hit in 1985 and Tom Herr's game-winning ninth-inning home run down the stretch in the Cardinals 1985 pennant drive will long bring chills to baseball fans.

Wilson, a native of Detroit and a graduate of the University of Michigan, has called baseball play-by-play during his career for the Hawaii Islanders of the Pacific Coast League, the Seattle Mariners and the Cincinnati Reds in addition to his work with the Cardinals the past three seasons.

Ken is also recognized as one of the top hockey play-by-play men and handles those chores for ESPN's and KPLR's hockey telecasts.

AL HRABOSKY

Al Hrabosky has made a smooth transition, going from one of St. Louis' best loved athletes as "the Mad Hungarian" of the Cardinals' bullpen of the 1970's to one of the town's favorite broadcasters of the 1980's.

Hrabosky's fast rise in the broadcasting field comes as no surprise. During his 13-year Major League career, that saw Al pileup 97 career saves and earn Fireman of the Year honors in 1975, he was already preparing himself for broadcasting by working as a sportscaster for a St. Louis TV station.

BUSCH STADIUM

Busch Stadium, the home of the St. Louis Cardinals, was officially opened on May 12, 1966. Since that time, the facility has become the focal point of an extensive downtown St. Louis redevelopment effort which has resulted in millions of dollars in new office buildings, hotels, shopping complexes, parking garages and other facilities, including the Bowling Hall of Fame and Museum.

Busch Stadium is owned and operated by Civic Center Corporation, one of the Anheuser-Busch Companies, Inc. Anheuser-Busch, originally the largest single investor in the corporation which constructed Busch Stadium, purchased the remaining shares of stock in 1981 and now operates Busch Stadium and other Civic Center properties.

Anheuser-Busch and Civic Center Corporation have made a number of additions and improvements to the facility since it was acquired in 1981, adding to the fans' total entertainment experience.

One of the most recent major improvements was a massive seating replacement and installation project which began in August of 1986 and was completed just prior to the Cardinals' 1987 home opener. All of Busch Stadium's original seats were replaced with new ones and additional seats were added. During this past off-season over 1,000 new seats were installed making permanent seating for baseball over 54,000 and over 55,000 for football. The color of the new seats is red.

Prior to the start of the baseball season in 1986, the installation of a closed-circuit television monitor system was completed in Busch Stadium at selected concession stands. The new television monitors allow fans to watch live game action and replays while visiting the stands. Also in 1986, the enlargement and complete renovation of Busch Stadium's 39 original deluxe box suites took place.

In 1984 a new Astro Turf field surface covering was installed. The new turf is Astro Turf-8, a permeable covering which permits water to flow through the turf to a system of underground drains, alleviating rain delays and time-consuming vacuuming of water from the field surface. The stadium installed its first Astro Turf field in 1969.

Another major addition was the installation of a new, state-of-the-art scoreboard system. Erected in 1983 prior to the baseball season, the scoreboard system features a 22' x 30' color video CRT board with replay capabilities and a black and white matrix board with animation capabilities.

A new metal halide lighting system was also installed in 1983 to improve the fans' viewing of the game.

Since the first event was held in Busch Stadium (when the Cardinals defeated the Atlanta Braves, 4-3, in 12 innings on May 12, 1966) over 55 million people have passed through the stadium's turnstiles to view professional baseball, football, soccer as well as collegiate, high school and amateur sporting events, and a variety of other entertainment events, including circuses and concerts.

The St. Louis Sports Hall of Fame is located within Busch Stadium. The entrance is on level 3 of the stadium near gate 6.

The stadium's basic structure is concrete, with the exception of the movable seating sections, which are steel. The nearly circular stadium has an outside diameter of approximately 800 feet, and covers an area of more than 12 acres.

Busch Stadium is essentially a two-deck stadium, with approximately half the seats in each deck. Seats completely surround the playing field with no posts or columns to obscure the spectator's view. Two sections of 3,600 seats each can be moved from a position along the first and third base lines to a position parallel to the football field.

The playing field at Busch Stadium is from 10 to 30 feet lower than the surrounding streets. Spectators move from the entrance level either up or down to the seating area. There are eight major entrances.

AMATEUR DRAFT

FREE AGENT DRAFT SUMMARY: Major League and National Association clubs meet twice a year for the purpose of drafting free agent player talent. Meetings are conducted by conference phone. Selection of a free agent entitles the club to exclusive right of negotiation with that player from the date of selection until 10 days prior to next draft. There are two phases of each draft:

Regular Phase: Clubs choose in inverse order of major league standings, selecting free agents and previous draftees who had not signed contracts but had instead enrolled in four-year colleges and since had either completed his junior year or become 21 years of age. Each organization may select only one player for each of its major league, AAA or AA rosters, but is not limited to the number of picks for "A" level. Minor league clubs select in the same relative order as their parent clubs.

Secondary Phase: Selection of free agents who had been drafted previously but who had not signed contracts before the negotiation right expired (except those draftees who had enrolled in a four-year college and had since graduated or become 21 years of age now drafted in the regular phase). It is possible for a club to redraft a player whom it was unable to sign after the original selection, but only with the written consent of that player. The order of selection is by lot with the 26 major league clubs divided into two 13 team groups with the groups alternating having first selections in respective drafts.
